

Groves Academy 2024-2025 School Lunch Program Policies and Information

We have partnered with [CKC Good Food](#) for the 2024-2025 school year. Their 6-week lunch menu rotations incorporate fresh, flavorful ingredients to deliver new lunch entrees and the latest food trends to our community.

Menus: Hot, cold, and salad bar lunches are offered daily, including one milk (skim/chocolate skim/1%) and sides. Gluten and/or dairy-free substitutions are available and must be arranged beforehand.

Price: Lunch costs \$6.00. Additional milk can be purchased for \$0.50 each, and extra entrees for \$3.00 each.

Ordering: We will continue to use [Hot Lunch Online](#) to order and pay for meals. You can order one month in advance and up to three days before the meal's date. Last-minute **emergency lunch meals** can be placed online by **9:00 AM** the day of for an additional **\$1.00** fee. Students will be given a hot lunch, cold lunch, or salad bar, subject to availability.

*****Please note** -- We can partner with you to make ordering a hassle-free experience! Simply store a credit card on file in your HLO account or send a check each month (payable to Groves Academy). Our lunch coordinator will work with your child and personally order their lunch selections, saving you time.

Refunds: Will not be given if your child is absent from school. Exceptions will include snow days and field trips.
